REPORT OF FIREWARDS

Year Ending January 31, 1922

We have had two alarms for fire the past year, one at Frank Whitecomb's, and one at Frost Hill, also eight calls for chimney fires.

We feel we have been very fortunate in having so few fires.

We would suggest that the town take some action in regard to purchasing a motor chemical.

C. H. KINSMAN,
C. E. WARD,
W. McROY,
Firewards.

REPORT OF FOREST FIRE WARDENS

We beg to submit the following report:

There have been four brush fires during the year, one on Dublin road near the old Shattuck place, damage small; one on B. & M. railroad near Thayer crossing, which was a railroad fire and paid for by the B. & M.; one on Dillingham road, practically no damage, and one near Lawrence pond, which caused no damage.

These fires were all extinguished very soon after they were reported, thanks to the co-operation of firemen and townspeople.

NORMAN N. COLLINS,
CLARENCE E. WARD,
Fire Wardens.

REPORT OF HEALTH OFFICER

TUBERCULOSIS CAN BE CURED

There are about a million active cases of tuberculosis in this country right now. If these folks had taken care in time they could have all become well, but for some it is now too late. There are certain symptoms that are danger signals which all of us should know about so that we can be on our guard when the germs first attack us.

Be Warned in Time

What are these signals? They are

Loss of weight,

Loss of appetite,

Continued tired feeling,

Cough or cold lasting longer than two weeks,

Night sweats.

If you have any or all of these, go today to the best doctor you know, to the nearest clinic, or health center.

HOW TO GET CURED

Follow the doctor's instructions.

If you learn that you have tuberculosis go to a sanatorium.

Whatever you do, take no advertised consumption cures. They are all fakes.

Rest, fresh air, good food, a cheerful disposition and good habits are the only known cure for tuberculosis. Be sure that you have a good combination of all four, and you will get well, provided you start in time.

FINALLY

Your local tuberculosis association can help you.

Ask them to show you how to make a good fight for health. And follow no one's advice but your doctor's and theirs.

FROST FREE LIBRARY REPORTS

The annual meeting of the trustees of Frost Free Library was held Oct. 1, 1921. The meeting was called to order by the president, Rufus S. Frost. Prayer was offered by Rev. William Weston.

Report of secretary was read and accepted.

Report of treasurer was read and accepted.

Report of the librarian was accepted and ordered spread on the records and printed in the Town report.

The secretary, Mrs. Maria A. Pease, resigned after nearly thirty years' of service and the resignation was accepted and a vote of thanks extended to Mrs. Pease for the faithful and efficient manner in which her work had been performed.

The following officers were elected:

President, Rufus S. Frost.

Vice President, Robert L. Whitney.

Secretary, Carrie K. Whitney.

Treasurer, Fred D. Hemenway.

Auditor, Rev. S. B. Long.

Miss Mabelle F. Derby, librarian, having resigned, the executive committee have secured the services of Miss Orpha Sias.

The executive committee, Rufus S. Frost, Revs. William Weston, G. W. Sias, S. B. Long, Messers R. L. Whitney and W. L. Buckminster.

Rev. S. B. Long presented the following resolutions on the life and death of Rev. S. H. McCollester.

“Inasmuch as our co-worker and fellow trustee of the Frost Free Library association of Marlboro, N. H., Sullivan Holman McCollester, LITT. D. has been called of God to the enjoyment of the rewards and blessings of his faithful services, it is the desire of the Board to perpetuate his memory in a modest way by adopting the following resolutions:

“It is with a deep feeling of sorrow and loss that we record the death of Sullivan Holman McCollester, LITT. D., May 22, 1921, and therefore be it resolved that in his death the library has lost a warm and faithful friend, and a true and loyal adviser. As a member of this board for nearly sixty years, and Vice-President, a large part of the time, he bore his full share of responsibility and administered the business with remarkable ability. Many volumes of books, numerous curios, and valuable collections gathered during his years of extensive travel and intensive study, have come to the library from his own hand and as his own personal contribution.

“But even more than for the length and faithfulness of his services will he be remembered for the beauty, the strength, and the fineness of his Christian character. God was good to him and he was a true candle of the Lord, always optimistic, hopeful, and sympathetic. He loved the children of the community and was vitally interested in their education and training. He was a laborer among us that needed not to be ashamed.

Resolved, that a copy of these resolutions be sent to his son, Dr. Lee S. McCollester, with the heartfelt sympathies of the Association and that a copy be spread upon the records of this Library Association.”

Respectfully submitted,

S. BURMAN LONG,

The above resolutions were accepted and adopted.

Voted to spend one hundred dollars for new books.

Voted to instruct R. L. Whitney to secure a picture of the late Dr. McCollester for the library.

The heirs of Rufus S. Frost, donor of the library, have again given the generous sum of one hundred dollars for magazines.

Adjournment.

CARRIE K. WHITNEY,
Secretary.

F. D. HEMENWAY,
Treasurer.

This is to certify that I have examined the accounts of F. D. Hemenway as treasurer, from Sept. 11, 1920, to Sept. 30, 1921, and find them properly cast and properly vouched.

S. BURMAN LONG,
Auditor.

Sept. 30, 1921.

LIBRARIAN'S REPORT

To the President and Trustees of Frost Free Library, the Librarian submits the following report for the year ending August 31, 1921:

The library has been opened 102 times during the year, total circulation of books being 7,506. Of this number 4,761 were adult fiction, 2,032 juvenile fiction, 490 adult non-fiction, 255 juvenile non-fiction. Circulation of magazines being 2,385, this makes an increase of 1,987 on the books and 426 on the magazines over last year.

Sixty-five new books have been added during the year, one, the gift of Mr. C. H. Pease, one the gift of Mrs. Frost and six given by Miss Margaret Hervey. The other fifty-seven were purchased from the Library fund. Thirty-three are juvenile and thirty-two adult.

A number of old books were discarded under the supervision of Miss Grace Kingsland, Secretary of the State Library Association, thus making more room which was much needed. A great improvement was also made by removing the large glass cases and placing the contents of them on the shelves at the back of the room, thus making a place for a reading table. The repainting of the room has added much to its attractiveness.

FINANCIAL RECEIPTS FOR THE YEAR

Cash on hand Sept. 1, 1920,	\$18 00
Received for sale of magazines,	5 50
Received for sale of books,	2 70

Respectfully submitted,

ORPHA C. SIAS,
Librarian.

MARLBORO COMMUNITY NURSING ASSOCIATION

The officers of the Marlboro Community Nursing Association desire to present the report of Miss Ivy L. Dickinson, R. N., from June 1st, 1921, to February 1st, 1922.

1921	Reg. Calls	Confinements	Operations	Night	Free	Amount Collected
June,	59	4	1			63 00
July,	35				2	31 60
August,	45	1	3			47 50
Sept.,	10		2		1	6 90
Oct.,	24	2				14 25
Nov.,	26	1				16 00
Dec.,	75	2				77 75
Jan.,	69			4		69 50

During the time from June 1, 1921, to Feb. 1, 1922, there has been a total of 343 regular calls, 10 confinements, 6 operations, 4 night calls and 3 free calls. \$326.50 has been collected and turned into the treasury.

Twelve school children have had tonsils removed, 64 have had teeth treated, 6 have had eyes examined and 3 have had ears treated. The doctor was assisted with school inspection and some follow up work has been done.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Marlborough:

. I submit my third annual report as superintendent of schools. Part 1 will deal with matters common to all the towns in this supervisory union, and Part 11 with your own school affairs.

PART I

Attendance. The attendance in all the schools has shown considerable improvement. In most communities it is a matter of pride with parents and pupils alike. In a few, however, there are still some parents who seem to feel that it is not necessary to see that their children meet the full requirement of the attendance law, to attend school "during **all the time** the schools are in session." A few still appear to think it is their privilege to send children on errands or to keep them at home for work. The law makes no such exception and the only cause recognized as good reason for absence is sickness.

For the past year and a half I have required monthly reports from all the teachers. Summaries of these attendance reports are returned to the teachers as soon as they can be prepared, and a definite campaign for better attendance has been in progress, especially through the fall and winter of this year. The following table shows what results have been secured, as compared with the attendance last year and the year before last.

School	Average attendance in all schools		
	1919-1920	1920-1921	1921-1922 (4 months)
Marlboro			
High School	95.0	94.7	97.3
Grades V-VI	93.8	92.2	96.5
Grades IV-V	94.5	93.4	97.1
Grade III	90.6	91.0	97.0
Grade II			96.2
Grade I	92.0	94.0	94.5
Wallace School	87.2	87.5	97.2
Harrisville			
Grammar	95.3	97.0	96.6
Primary	94.7	96.1	95.0
Chesham	92.5	93.9	86.7
Eastview	95.0	96.5	96.1
Roxbury	94.0	89.0	93.6
Sullivan,			
Center	91.0	92.0	94.9
East		90.4	96.4
Fifield			98.5
Stoddard	90.6		93.5
Nelson			
Center	89.6	92.0	98.0
Munsonville	93.0	90.4	95.5
Surry			
Village		94.0	94.1
West Hill	91.7	90.0	95.6
North End		92.0	96.6
Gilsum			
Grammar	90.0	92.0	94.1
Primary	84.7	85.9	94.4
West	84.9	84.6	93.2
Belvidere	94.5	93.1	

Grading and Tests. The grading in most of the one-room schools was considerably below standard two years ago. It did not seem wise to make wholesale changes at once but rather to bring about desired improvements gradually by making careful promotions at the end of the year and by the improvement of teaching as rapidly as possible. Considerable progress has been made in most of the schools, but there are now several where the standard is low for the upper grades and where some pupils are doing work in two or three different grades. This will be corrected as the older pupils pass out of school, but we shall be able to make some improvement before that time by the application of definite standards of promotion in all grades. Standard tests are being given this month in all grades in several subjects, and one general intelligence test. These will be repeated in June, and on the basis of results in them, supplementing the teachers' records of daily work, we shall be able to make promotions with greater certainty of fairness to the pupils.

Health Program. Increasing attention is being given to matters of health. Physiology and hygiene are taught not merely for the information the books contain, but the aim is to make the practical application in daily living that will result in better health. The annual inspection by the school physician discovers physical defects which are reported to the parents, and in some case remedial treatment has been secured as a result. I would urge all parents receiving the physician's notices to consult their own family physicians and secure treatment, for a child's physical condition has considerable to do with his mental condition and can be remedied more easily while the child is young. As a supplement to the physician's work, the children are weighed at intervals of about a month and their weights recorded on a chart, which also shows age, height, and normal weight, so that a child can tell from the chart whether he is normal or under-weight. Suggestions are

given from time to time to those who are under-weight to help them to know how to improve that condition. In places where a visiting nurse is available this work can be extended to reach the home and assist the parents, but without a nurse the teacher and superintendent must do what they can by instruction and advice to the children.

Corporal Punishment. There seems to be an impression in some quarters that corporal punishment is forbidden. Such is not the case. We do strongly believe that a good teacher will find very few occasions for using so extreme a punishment, and the best teachers are those who seldom have to punish in any way, but we recognize that there does occasionally arise a situation where nothing will prove quite so effective as a good spanking or strapping. Teachers are cautioned to use care and good judgment, but not to "spare the rod and spoil the child."

Holidays. There is another notion that I wish to correct—that schools **MUST** be closed on certain legal holidays. There is no mention of holidays in the school law, and the decision whether school may be closed on a holiday or at any other time rests entirely with the school board. Moreover, when no special observance of such a holiday as Armistice Day, Columbus Day, Washington's Birthday, and others, is made in the community, to close the school for all day is to miss a valuable chance to teach the lesson of the day to the children, and to remind others of its significance, by appropriate exercises in the schools, to which the parents and citizens generally are invited.

PART II

Finances. The last legislature made some important changes in the school laws relative to the distribution of state aid. The five-dollar tax is now levied on the basis of the equalized valuation, so that you have this year raised about \$800

more to meet the first condition required in order to receive state aid.

The budget prepared and submitted to the State Board in October, a copy of which follows this report, has been approved for a larger amount than was anticipated and the town will receive about \$75 more state aid this year than last year, \$4,391.82 having been allotted. The balance of state aid money not used last year is \$300.60, which will be deducted from the above amount, so that the net amount to be received from the state will be \$4,091.22. Doubtless we shall be able to keep expenditures within the amounts approved by the State Board, (see budget), except in the item of teachers' salaries; the difference of \$466 between the total sum you are paying for elementary teachers and that allowed by the State Board represents the amount you are paying beyond the **average** paid for teachers of similar training and experience throughout the state. Taking the budget as a whole, I believe we shall be able to keep within the total amount of money available, without running up a deficit, though the total **estimated** expenditures in the budget exceeds the estimated receipts by \$387.72.

Extra Rooms. The opening of school last September found us with 100 children in the first three grades with only two rooms and two teachers to take care of them. By putting a temporary partition through the room occupied by grades IV and V, and securing an additional teacher, we relieved the situation. But the space available in the building is not adequate for the number of children we now have, and prospects are good for increasing rather than decreasing numbers, as will be seen by comparing the number of pupils in the lower grades, with the number in the middle and upper grades, in the statistical table following this report. Also, we have felt the need for more room for the Junior-Senior High School classes for some time, and the need for better accommo-

dation for laboratory work and for typewriting and bookkeeping classes. We need these improvements for the High School, irrespective of whether we make this a six-year school or not. An addition to the building, similar to the addition made several years ago, would provide the needed space for both the elementary and the secondary schools.

Six-Year High School. Counting the Junior and the Senior High Schools as one unit, as we do, there are five years in the course we are now carrying on, with the approval of the State Board of Education for the full five years. We have not thought it advisable to add the sixth year work to make this a complete high school with the facilities now at hand. If the additional room can be provided, as suggested above, the additional year's work can be undertaken, and I believe it should be planned for next fall. The additional expense would not be great, for it would require no more teaching hours, practically, than we now have. It would be advisable, and probably would be necessary in order to secure state approval, to have another regular teacher in place of the two practice teachers from the Normal School that we have this year. The extra cost for such a teacher, when allowance is made for the amount paid the Normal School for these two practice teachers and for the high school tuition you are paying for fourth year pupils in Keene and elsewhere, should not exceed \$500. No additional equipment would be needed beyond that already needed for the third year work in typewriting and laboratory work, except for a few textbooks.

Health Work. The physician's examination last year showed the following facts:

Whole number of children examined,	225
Number found having defective teeth,	149
Number found having defective vision,	45

Number found having defective hearing,	10
Number found having hypertrophied tonsils,	118
Number found having adenoids,	92
Number found having anaemia,	2
Number found having skin disease,	1
Number found having orthopedic defects,	1

These defects were reported to the parents in every case, cards being filled out by the physician and taken to the parents by the nurse. Through her follow-up work treatments were secured as follows:

Treated for defective teeth,	41
Treated for defective vision,	11
Treated for defective hearing,	4
Treated for hypertrophied tonsils,	12

This year the physician examined 241 pupils and sent cards reporting defects for 191. The nurse is doing follow-up work in connection with her regular work. She is also starting a series of talks to parents at the schoolhouse, having given one recently on care of the mouth and teeth. Similar talks **are** planned on other topics and it is hoped that a large number of parents will avail themselves of this opportunity to gain helpful knowledge of the care of the health of their children.

Respectfully,

VERNON S. AMES,

Superintendent.

Marlboro, N. H., Feb. 10, 1922.

ESTIMATE AND RECOMMENDATION OF THE SCHOOL BOARD

In compliance with Section 21, Chapter 106, of the laws of 1919, the School Board makes the following statement of the sums of money needed for the fiscal year, from July 1, 1922, to June 30, 1923:

For the support of elementary schools, (including textbooks, supplies, janitor service, fuel, transportation, etc.), the amount of the \$5 tax on each \$1,000 of the equalized valuation,	\$5,134 67
For the supervisory tax, \$2 per pupil enrolled,	550 00
<hr/>	
Total,	\$5,684 67

And in addition:

For the support of the high school, (including textbooks, supplies, janitor service, fuel, new equipment, etc.), \$4,500 less the income from other sources, \$500,	\$4,000 00
---	------------

For salaries of district officers, superintendent's excess salary, insurance, and other expenses of administration,	400 00
Total additional amount,	<hr/> \$4,400 00

The School Board further recommends the construction of a two-room addition to the number 2 schoolhouses, with necessary equipment and necessary alterations in the basement, and will submit estimates of the cost of the same at the March meeting.

CHARLES F. WEBB,
WILLIAM COUTTS,
RAY E. TARBOX,
School Board.

FRED E. ADAMS,
Town Clerk.

SCHOOL WARRANT

To the inhabitants of the School District of Marlborough, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 14th day of March, 1922, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
7. To see how much money the district will raise and appropriate for the support and maintenance of the High School.
8. To see if the district will approve the recommendation of the School Board to raise the \$5 tax on a thousand dollars for the support and maintenance of elementary schools.

9. To see how much money the district will raise and appropriate for salaries of district officers, superintendent's excess salary, insurance, and other general expenses of administration.

10. To see if the district will authorize the School Board or a special committee to build a two-room addition to number 2 schoolhouse, with necessary equipment and necessary changes in basement, and raise and appropriate money for the same, or act in any manner in relation thereto.

11. To see if the district will authorize the School Board to maintain a full four-year high school.

Given under our hands at said Marlboro this 25th day of February, 1922.

RAY E. TARBOX,
WILLIAM COUTTS,
CHARLES F. WEBB,
School Board.

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Marlborough, in the County of Cheshire in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in said Marlborough on Tuesday, the fourteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see if the Town will vote to replace the iron bridge near the Monadnock mills with a reinforced concrete structure, with rebuilt or reinforced abutments, raise money for the same or act in any way relating thereto.
4. To see if the Town will vote to accept the provisions of Chap. 117, Laws of 1917, on the section of the Monadnock road, so-called and appropriate, or set aside from the amount raised for highway work the sum of \$275.00 for this purpose.
5. To see if the Town will raise the sum of \$1,345.50

against \$538.00 from the state for State Aid Construction or act in any way relating thereto.

6. To see if the Town will vote to raise the sum of \$2,000.00 as against \$3,500.00 from the state for Trunk Line Maintenance or act in any way relating to the same.

7. To see if the Town will vote to install a Patrol System for its public highways, raise money for the same or act in any manner thereon.

8. To see what sum of money the Town will raise for the support of Electric Lights.

9. To see if the Town will vote to establish one Electric Light at the Junction of the Roads near the Marlboro Depot, raise money for the same or act in any manner in relation thereto.

10. To see if the Town will vote to raise the sum of \$250.00 to aid the Marlboro District Nursing Association or act in any way relating to the same.

11. To see if the Town will vote to raise a sum of money for the purpose of exterminating the Pine Blister Rust or a in any manner relating thereto.

12. To see what sum of money the Town will raise for Memorial Day.

13. To see what sum of money the Town will raise for Old Home Day.

14. To see if the Town will vote to purchase a piano for

use in Town Hall, raise and appropriate money for the same or act in any manner in relation thereto.

15. To see if the Town will vote to authorize the agents to bond the town debt if occasion requires the same, or act in any manner in relation thereto.

16. To see if the Town will authorize the Selectmen to borrow money on the credit of the Town.

17. To hear the report of the Town Agents or Committees or other officers heretofore chosen or appointed, and pass any vote in relation thereto.

18. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and twenty-two.

WALTER E. BUCKMINSTER,
CHARLES B. KNIGHT,
MERRILL MASON,

Selectmen of Marlborough.

A true copy of Warrant—Attest:
